THNA Website www.TerrellHeights.org

Did you know the Terrell Heights Neighborhood Association website back up and running? Last year we revitalized our neighborhood website to make it even better for everyone. Please be sure to check it out and don't forget to sign up for our email list. The site will continue to expand considerably

over the coming months and serve as the official source for everything related to our neighborhood -- from social events and beautification projects to breaking news about nearby real estate development and traffic/safety/infrastructure issues. Also, you can now renew your THNA membership online!

Thank you to Grande Communications for supporting Screen at the Scates. We are now able to offer movies at the park all year long. Please be sure to mark your calendars for the upcoming movies!

FROM TRASH TO TREASURE

May 21, 2016

The Annual Terrell Heights Neighborhood Yard Sales draws 25+ homes and hundreds of visitors to find bargains and see every corner of the neighborhood. Each participant must obtain a Garage Sale Permit, which may be purchased at HEB Oak Park or HEB Lincoln Heights for \$17. Please call Jenny Heymann at 210-452-4362 or email her at heyjenn0211@yahoo.com to sign up and get your address listed on a neighborhood map of garage sales. Maps will be provided for participants to hand out to shoppers.

TOP 3 REASONS TO JOIN THNA

1

THNA sponsors and supports activities and initiatives that make Terrell Heights residents proud of where they live, creating a strong community and making the kinds of changes that matter.

2

THNA cares about the physical appearance of the neighborhood, and THNA's Beautification Committee and other volunteers work hard to keep up the appearance of the neighborhood.

3

THNA is a great way to get to know your neighbors! All of us long for the "good old days" of being comfortable enough to borrow a cup of sugar from our neighbor, right? Furthermore, statistics across the country consistently show that neighborhoods have less crime when neighbors know and watch out for each other.

All of that (and so much more) is worth \$25 a year, don't you think? So please log on to the website at www.terrellheights.org and join THNA now

Scates Park

April 2nd

Please join the Beautification Committee and help spread some mulch around the playground area to make it safe for kids and plant flowers around the new sign to beautify the park entrance.

Weekly Wine and Weeding

Looking for a way to relax and unwind? Join us at Scates Park every Tuesday from 6:00-7:00. We'll do some light work to install weed barriers around the trees and then unwind with some wine and snacks. Help beautify the park while unwinding with friends. Call or email Art Ordoqui to sign up: (210) 338-0545 or ordoui.art@gmail.com
