What's New?

Most of you have already heard that HEB now offers grocery delivery. What you may not know is that the delivery is executed through 2 different companies: Shipt & Instacart. As a TH neighborhood resident, your address will qualify for both companies. I used both companies and wanted to provide you with my experiences (no one has offered me any benefit for my opinion). Both companies offer online shopping to generate your grocery list, including an option to shop through a web browser or their downloadable apps. The products available seemed to be identical through both companies and if you can't find what you want, they both offer a "special request" that can be submitted. Both companies allow for scheduled delivery at a later time or one hour delivery if available. Shipt & Instacart both offer grocery delivery from HEB and Central Market, and as of the time of this writing, Instacart also had several other store options including Petco, Spec's, Whole Foods, Costco, and Total Wine. Both offer similar prices, at the time of this writing Shipt is \$99/yr. or \$14/mo. and Instacart is \$149/yr. or \$15/mo., both companies include free delivery on any order over \$35 with their membership. Why pay to have your groceries delivered? Well, with the 1.5 hours I saved one Sunday, I was able to take my family to the new Yanaguana Gardens at Hemisfair Park and another Sunday, we visited McAllister Park for a bike ride.

TRAFFIC & INFRASTRUCTURE

The Traffic & Infrastructure Committee will meet at Mt. Calvary Church, Parish Hall at 7:00 p.m. on Monday, August 15th to discuss continuing and new issues. Interested Terrell Heights residents are invited to attend. Updates on issues such as the City Traffic Investigation at the intersection of Kenilworth and Brees, enhanced pedestrian crossings at Eisenhauer, traffic flow at the island at Wellesley and Greenwich, and traffic changes around the new development at Seidel and Austin Highway. If you have other issues you wish to address, please contact Steve Temple at 210-805-8833 or info@terrellheights.org and plan to get involved in the committee.

Neighborly News

- Congratulations Jo Legg! She has lived in the Terrell Heights neighborhood for 50 years. How about you?
- Welcome back home John & Jenny Heymann. They recently completed remodeling their home on Irvington.
- Congratulations Ariel & Daniel on your wedding in April! My your married life be filled with fun, love, joy, and laughter!
- Looking for a great movie? Florence Foster Jenkins starring Meryl Streep, is about a New York heiress who dreamed of becoming an opera singer, despite having a terrible singing voice. Cosme McMoon, her pianist & composer, is related to one of our very own residents, Mark McMunn.

Summer Serve 2016

The Mt. Calvary Lutheran Church Summer Serve students and volunteers were again working hard to spruce up the Terrell Heights Community Garden and other various traffic triangles. . On June 10th and June 11th, a group of middle school students weeded, pruned, mulched, moved recycled cedar boards, painted plant markers, and made some awesome trellises for our garden! What an amazing group of students! Every summer, Pastor Mark and Laura Pulliam organize Summer Serve, a program coordinated by Lutheran (LCMS) youth workers who want to see today's youth transformed by Christ from the "selfie generation" to the "selfless generation"! Students sleep, worship, and play at Mount Calvary Lutheran Church and deploy to service sites around the city of San Antonio during the day. Our gardeners were very fortunate to work alongside such delightful students.
